Tatem Teddy, mascot of CSC, has guarded the spirit of Colorado State College since 1905 when he was sent from Alaska. He sits on the top of the famed tatem pole and awaits old and new with the warmth that is characteristic of Colorado State College.

OF COLORADO STATE COLLEGE • GREELEY • COLORADO

Carter Hall houses much of the intellectual activity on campus in its library and classrooms. The library maintains a ready access of materials for all students and provides a pleasant atmosphere for academic endeavors.

Garden Theater, almost hidden by winter's heavy snow, is the heart of much campus publicity and affords a convenient polling place for the spring elections. Spring and summer concerts are held here during the warm Colorado evenings.

Scene of the activities of the Associated Students is the Student Union. Early snow didn't slow down the activity carried on in this building, which houses offices for the various honoraries, publications, and other organizations.

Colorado State's fine athletic department carries on most of its activity in Gunter Hall. The well known chimes are rung here in the bell tower to mark the hour. The men's gymnasium sees varied athletic events, dances, speeches and concerts.

Only an hour's drive from the CSC campus is the resort town of Estes Park, known throughout the world for its year round playground in the heart of the majestic Rocky Mountains.

In Memoriam

Ralph E. Johnston, assistant professor of English and News Editor at Colorado State College, died May 10, 1960. Mr. Johnston, noted for his quick wit and perceptive reporting, joined the CSC faculty in November 1950. His background as a professional newspaperman enabled him to provide local and state editors with excellent stories of campus events. Student publicity chairmen of campus organizations found him always ready to help them in promoting campus activities. Much of the material appearing in the weekly Mirror came from his typewriter. Student editors wrestling with the first edition of Fall Quarter found him ready with helpful advice and a large quantity of news stories ready to use.

Mr. Johnston was the author of three books for young people and a number of magazine articles. His books are "Buffalo Bill," "Stagecoach Trail" and "Old Tangleeye," a Literary Guild selection. He took great pride in the authentic background of his writing and his books have been valuable for use in schools. Mr. Johnston entered newspaper work in Colorado after his graduation from the University of Kansas school of journalism. He worked on the Fort Morgan Times and the Bent County Democrat before joining the Greeley Tribune editorial staff in 1935. In 1945 he bought an interest in the Loveland Herald-Report, where he served as editor until 1950. He was a member of Sigma Delta Chi journalism fraternity and Phi Beta Kappa, honorary scholastic fraternity.

Dr. Helen Langworthy

DEDICATION

The 1960 Cache la Poudre is dedicated to Dr. Helen Langworthy, Director of the Little Theatre of the Rockies and Professor of Drama. Dr. Langworthy is well known throughout the United States as one of the finest directors as well as a brilliant Shakespearean scholar. She received her Bachelor of Arts and Master of Arts degrees from the University of Iowa. She has done graduate work at the Irvine Studio for the Theatre in New York, the American Laboratory Theatre in New York, the Theatre of the New School for Social Research in New York, and received her Ph.D. degree from the University of Iowa in 1952.

Dr. Langworthy joined the CSC faculty in July 1934 and organized the Little Theatre of the Rockies. She has directed the theatre as a summer theatre for 23 sessions. Dr. Langworthy is a member of National College Players, honorary drama fraternity; Pi Lambda Theta, honorary education fraternity; and Alpha Psi Omega, honorary drama fraternity.

Directing and encouraging, Dr. Langworthy gives advice to two actors for an upcoming play.

Dr. Langworthy poses in her office and by the bulletin board of the famous Little Theater.

Checking costumes and admiring work well done are only a part of many responsibilities.

FACULTY

C

Dr. William R. Ross, President

Dr. Ross, one of the nation's foremost educators, has been President of Colorado State College since January, 1948. He is a familiar and favorite figure around this rapidly growing campus. His popularity as a speaker and educator has kept him on a busy schedule, yet he manages to find time to personally consider student problems.

Time out from a busy schedule to chat with students.

One of the most pleasant duties of a college president.

Performing a traditional duty, Dr. Ross reads the citations for the recipients of the outstanding alumni awards.

Delta Zeta

Delta Xi chapter of Delta Zeta was formed on this campus in 1956 when Delta Sigma Epsilon and Delta Zeta merged their national organizations; they now have more national chapters than any other sorority. Of the many activities of the sorority, the Rose Dinner Dance and the Senior Farewell are keynotes. The Delta Zeta's are also known for the outstanding Sophomore award which they present each year during spring quarter. Having taken first place in homecoming competition last year, the DZ's can be found in the midst of all greek activities. With the Killarney Rose as the sorority flower, their colors are old rose and green and their pins are in the shape of a golden lamp.

Sigma Kappa

With ninety-seven chapters scattered throughout the United States, Sigma Kappa's Gamma Alpha chapter was organized at CSC in 1950. Previous to that the Sig Kaps were known as Sigma Upsilon on this campus. Active in all campus events, the Sigma Kappa's placed first in Songfest last year. In addition to campus activities they have many service projects which include the Bonnell Home where each girl is assigned to assist a patient throughout the year. Special events in the Sig Kap year are the dinner dance, the mountain party, and the Gypsy Tea which is given for all Greeks.

Sigma Sigma Sigma

Since 1898, Sigma Sigma Sigma has based its service to the members, the college where each chapter is located, and to the society at large on high principles. Iota chapter of Tri Sigma was installed February 15, 1915, at Colorado State College. Special activities of the Tri Sigma's are a Christmas party for the cerebral palsied children of Greeley and Christmas caroling to shut-ins. Other activities are their slave day, shoe shine, dinner dance, intramurals, and the Senior Send-off at the end of spring quarter.

Founded in 1904 at the University of Michigan in Ann Arbor, Acacia was organized by fourteen master Masons. There are now forty-five chapters in the United States. In 1952, Acacia came to the campus as a colony and became a national chapter in March of 1956. The fraternity is often characterized by the motto "To whom much is given, of him shall much be required." Active in all Greek activities, the Acacia's have won the sweepstakes trophy at Homecoming for three consecutive years and have placed first in Greek Follies for the last two years. Annual activities are their dinner dance and mountain party.

Alpha Kappa Lambda has been called the first college fraternity to be established on the Pacific coast and now has chapters throughout the United States. In 1955, AKL calony was formed at CSC and they became Upsilon chapter May 12, 1957. The five ideals of the fraternity are aggressive Christian character, high scholarship, campus leadership, loyalty to Alpha Kappa Lambda, and appreciation of self-support. Their annual dinner dance is held in the fall and their mauntain party is held every spring. Founder's Day, celebrated each year, will be in Wichita, Kansas, this year with many of the brothers attending. This summer the national conclave will be held in Estes Park.

Sigma Phi Epsilon in 1952 was the first national fraternity to join the CSC campus. Founded in 1901 in Richmond, Virginia, they now have 148 chapters. In addition to the traditional activities of sneaks, mountain parties, dinner dances, participation in intramural games, and many social activities, the Sig Eps sponsor and maintain a free blood bank for the entire campus. Originally called Lambda Gamma Kappa, the group was founded at CSC in November of 1903. The Sig Eps are easily recognized on campus by their gray jackets and their heart-shaped pins.

FOOTBALL

The football season marks the beginning of each school sports year. To many it brings back memories, to others it is a hope for tomorrow. But to the men on the field, the actors in this drama, it is a present dynamic occurrence. To them this section of the Cache La Poudre tributes — the men who represent us on the athletic field — the athletes of Colorado State College.

The Bears this year enjoyed their best season since 1934. The Colorado State College team finished the year with a 7-2-0 mark. The year was made up of many outstanding performances by both Seniors and Underclassmen. The fine attitude of this year's team sparks hope for continued Football success.

The Colorado State Bears opened the 1959 season with a non-conference victory against South Dakota State. The Bears whitewashed the South Dakota team 22-0. In the second game, upset-minded Western State was quickly defeated 49-6. In this game the Bears amassed a total of 496 yards and never were forced to punt. Butch Gardner, Bruce Peck, and Larry Olsen all lent a hand to scare impressively against the Mountaineers. Adams State College did pull an upset on the Bears as they tallied early and held on for a 28-14 victory. One week later CSC continued their an-the-road success as they smashed Panhandle A and M 26-0. John Johnson proved the spark to the team along with Olsen, Gardner, and Peck. A highlight of the year for the team was the defeat of the Colorado Mines team at Golden. The traditional rivalry was at its peak as the Bears trounced the Miners 28-0. The next week CSC kept up its rugged pace and made it a happy Homecoming for the many fans who attended. The Bears downed New Mexica Highlands University 51-6. An outstanding job of both offense and defense proved too much for New Mexico to handle. Long runs and alert passing again gave CSC an impressive victory. Idaho State Bengals slowed the pace of the Bears as the team fought hard to defeat CSC 32-13. In the final game of the 1959 season the Bears wrapped up their grand season with a 27-18 victory. Again great team effort gave the Bears a truly outstanding season.

BASKETBALL

Basketball continues to be a growing sport in the nation. CSC and the Bears grow with the trend. This year the ball club again played the type of ball that has brought fame to Coach Bunn. With an alert fast break and sparks of outstanding individual greatness the ball club provided a commendable season for the school.

The pre-season battles proved to be costly for the Bears. Fort Hayes defeated the team 83-72 and 73-66 in two wide-open pre-season bouts. Two victories over New Mexico 93-63 and Arizona 82-71 gave the Bears some experience on the victory trail. In Rocky Mountain conference openers the Bears dropped a double header to Colorado College. Jim Hrusko paced the team to this point with his 18.9 output per game.

Loyola brought along fame, height, and power as they invaded the CSC court. In a hard fought battle Loyola emerged triumphant with a score of 85-76. It marked a real improvement for the Bears who this year continued to meet some top notch competition. C-Stote broke school scoring records in their 104-64 triumph over Colorado Mines. The half time score was 43-41 but the second half outburst proved too much for the ragged Miners to handle. 87-60 was the score of the second meeting of the two clubs.

The C-State cagers finished the season in third place. The team finished with a 12-6 Conference record. Theo Holland was selected by the Rocky Mountain coaches' all-league team. A well balanced effort gave the Bears a fine over all club. A lack of exceptional height hindered the team in a few tight places. Jim Hruska, Frank Carbajal, and Theo Holland were a trio of exceptional ball players. Congratulations to the team for a job well dane.

WRESTLING

For the twenty-fourth time in a row, the CSC Wrestling Team ran off with honors in the Rocky Mountain Conference Meet. The determined team outscored their closest rival Colarada Mines by 19 points, 77-58. Five of the eight individual championships were won by the Bears. Winners were Frank Jordan, Lanny Bryant, Gary Wilson, Len Lordino, and Dick Trimmer.

Row Two: Wayne Humphrey, Dick McPeek, Matt Vuxinic, Tom Hood, Lanny Bryant, Tom Wills, Paul Enockson, Tom Anderson, Jim Harden. Row One: Buddy Hunt, Frank Jordan, Ray Sandoval, Harold Croissant, James Jamsay, Gaylord Gibbs.

The Bears opened the season with a 28-0 victory over the United States Air Force Academy. Ray Sandoval set the mood for the whole evening with a pin over AFA Harold Keck. Dick Trimmer concluded the meet appropriately with a quick pin over Hardy Lebel. The CSC team continued the season in traditional fashion with a loss to Western State marring the perfect slate. Oregon State, a coast power, fell to the Bears during an extra match of the season.

Proving their superiority once again the C-State grapplers dawned a raft of warthy opponents at Fort Collins to capture their fourth straight Rocky Mountain AAU wrestling championship. Closest to the Bears 77 point tally was CSU with 59 points, following were Wyoming 44; University of Colorado 42; Colorado Mines 24; Western State 19; Lamar Junior College 18; and the University of Denver 15. Individual championships by Frank Jordon and Gary Wilson clinched the victory for CSC.

Again against Colorado competition the Bears dumped Colorado University 70-41. Lou Baretta again was the gun taking two firsts in this meet. Buzz Gunnison, Dave Passarelli and Mike Larsen provided depth and assured the CSC team victory. Outside the Colorado teams the Bears suffered defeat to nationally ranked Nebraska and Minnesota. The Air Force Academy also came on late in the season to give the CSC team tremendous competition. All around showmanship and performance provided a fine year for the team.

SWIMMING

The Swimming Team proved to be one of the best CSC has ever produced. Bill Koplar, Clint Summerfield, and many more gave fine individual performances throughout the year. The Rocky Mountain Conference title again fell to the Bears.

Some song — second verse.

From their first game of the season, a 12-3 victory over South Dakota State, the Bears maintained an upper hand in bottle all season. Fine play by Ken Kempf, Joe Peck, Floyd Acre and a host of CSC men made this season an outstanding one. This year will long be remembered as one of tremendous individual performance along with superior team play. The nationally known Bears ball club again brought recognition to the school in the NCAA tourney.

TRACK

The 1959 track team swept the Rocky Mountain Conference Relays. The team was second to Idaho State in the conference meet. With an abundance of field strength and very fine relay teams, CSC provided excellent competition at all meets. Coach John Hancock again guided the team. Jim Cox, Wes Caak, Bob Ring, Jim Alegre, and Paul Wachholz all made outstanding contributions to the total effectiveness of the team. An outstanding event of the year was the record-breaking performance by the CSC mile relay team. Jim Cox, Wes Caak, Bob Miller and John Johnson kept a rapid pace to set the Relay Record at 3:28.6. This surpassed the old mark of 3:29.6.

Form and effort paint a beautiful picture.

Cheerleaders! The CSC Cheerleaders stand high on the list of outstanding people on this campus. Their purpose — to encourage energetic support of the Bears. Although some say that Cheerleaders detract from the game and others enjoy this detraction, through the Cheerleaders, the game reaches its full well-rounded peak when crowd participation is at its best. For their fine job of continuing support of the Bears, our thanks to the Cheerleaders.

Greek Follies

"And now a word from our sponsor," characterized a skit about Moo TV, winning another first for Acacio.

Laden down with trophies, the co-chairmen of Greek Follies announced the winners.

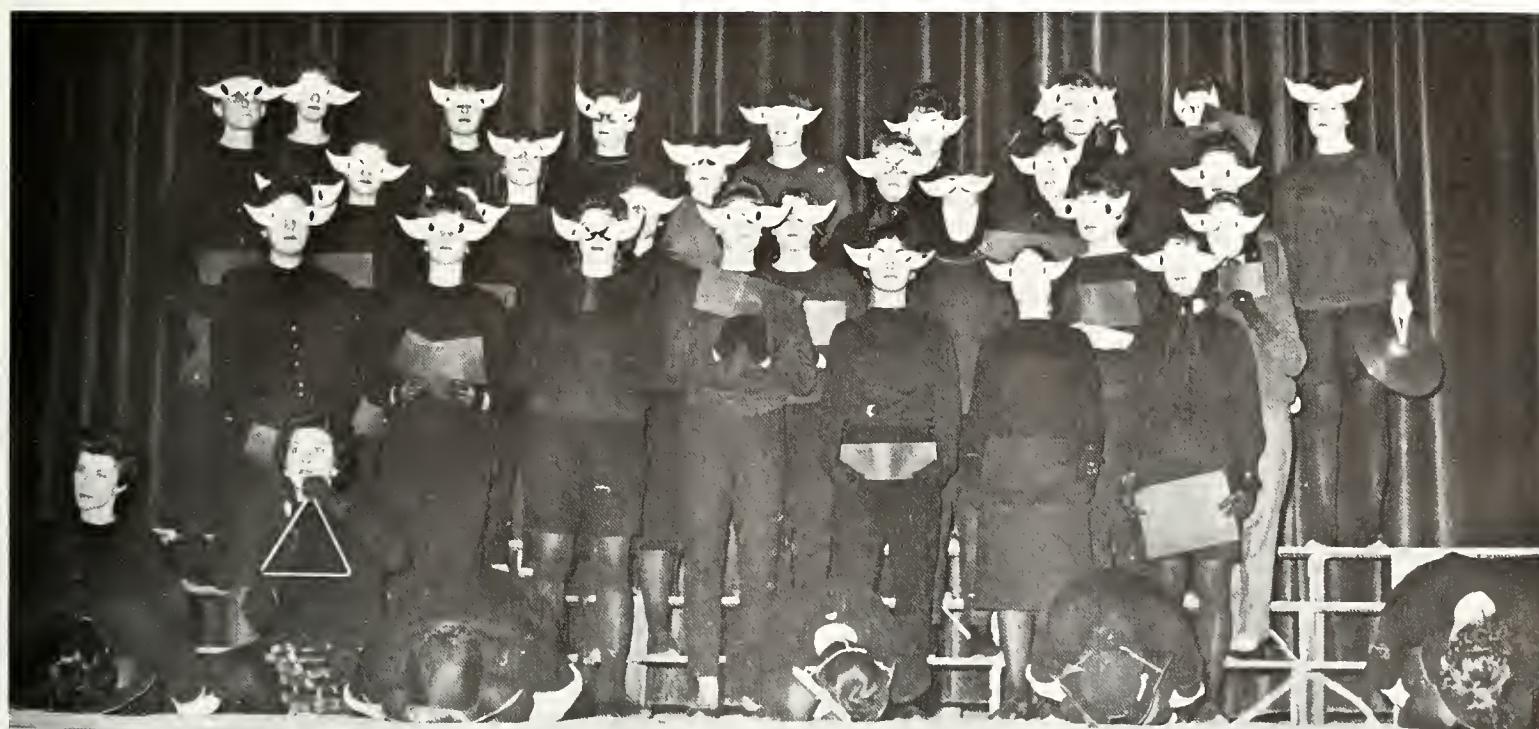

Chow Ming and the Seven Coolies sent the audience into howls of laughter, winning the Oriental DZ's a first place.

To keep the audience entertained while scenes were being changed, this quartet provided enjoyable music.

The Sig Eps won second place for their theme of "Great Men of History and Their Dawnfall."

Glowing cat eyes of Siamese Sigma Kappos wailed a Walt Disney tune far second place.

Military Ball

Two couples show an interest in a missile exhibit which added interest during the dance's intermission.

Precise and solemn, the Drill Team of CSC entertained by performing many intricate maneuvers.

A gracious Miss Sally Cisney is escorted to her throne as Military Ball Queen of 1959.

Hours of practice and polish go into this exhibit for President Ross.

ROTC Review and Presentation

A year's hard work now gains its reward of sparkling cups and gold, silver, and bronze medals.

That mad dash to class. Frasier to Crabbe in ten minutes! It can't be done. Maybe this part of college life isn't too well remembered, but a warm smile and "Hi" certainly made the day a little brighter and the next class from being quite so boring.
